Three blank coordinate systems are provided for plotting graphs. Each system consists of a horizontal x-axis and a vertical y-axis, both marked with tick intervals. The y-axis for all three systems has labels from 0.00 to 1.17 in increments of 0.03. The x-axis for all three systems has labels from 0 to 6 in increments of 1. The first system is on the left, the second in the middle, and the third on the right.

Three empty coordinate systems are provided for plotting. Each system has a horizontal x-axis ranging from 0.00 to 2.00 with major tick marks every 0.25 units. The vertical y-axis for the first system on the left ranges from 0.00 to 1.17 with major tick marks every 0.03 units. The second and third systems have y-axes with tick marks but no numerical labels.
